USS Midway Museum Bus Scholarship Guidelines 2010-2011 School Year

Requirements:

- Bus scholarships are only for San Diego City and County Schools.
- Teachers must complete the bus scholarship [online request form](#).
- An estimate of bus costs must be submitted prior to the scholarship's final approval. This needs to come from the district transportation office, but can be faxed to the USS Midway Museum from the school office.
- Scholarships are awarded on a first come, first served basis. Funds are limited and we suggest you apply early.
- Schools must arrange for their own buses.
- The USS Midway Museum will not pay for any trip delays, late fees, out-of-district buses or schedule changes.
- If you secure buses from a private transportation company, the USS Midway Museum will only pay what a regular school bus would cost.
- It is up to the school to resolve with the transportation office any transportation fees over what the USS Midway Museum has allowed.
- Bus transportation **invoices** must be submitted by fax or email to the USS Midway Museum within **45** working days AFTER the schools program. Delayed invoices may terminate the agreement for the USS Midway to fund the bus costs.
- The maximum bus scholarship for districts is:
 - San Diego City Schools: \$180 per bus
 - San Diego County Schools: \$450

Please fax bus estimates to:

USS Midway Museum
