

# “Live It & Learn It” *Youth Overnight Program*

Imagine spending a night in the Navy on the longest serving aircraft carrier in the 20th century! You have that opportunity through Midway’s “Live It & Learn It” youth overnight program.

This dynamic program focuses on an exciting, interactive schedule of events and activities. The program offers an educational experience that broadens the horizons of tomorrow’s leaders, all in an entertaining and fun context.

***And it all happens aboard a  
Legendary aircraft carrier  
on which 225,000  
Americans served!***

Each program begins at 4:30 p.m. and ends at 9:30 a.m. the next morning. Dinner and breakfast are provided and everyone eats in the enlisted mess. Campers bunk in the same berthing compartments the sailors slept in for 47 years.

Organized youth groups of 20 minimum, including adults, can participate. The program is available on selected Thursdays, Fridays and Saturdays. The cost is \$85 per person.
