

Take Your Students to Vietnam!

A Virtual Field Trip "Evacuation of Saigon"

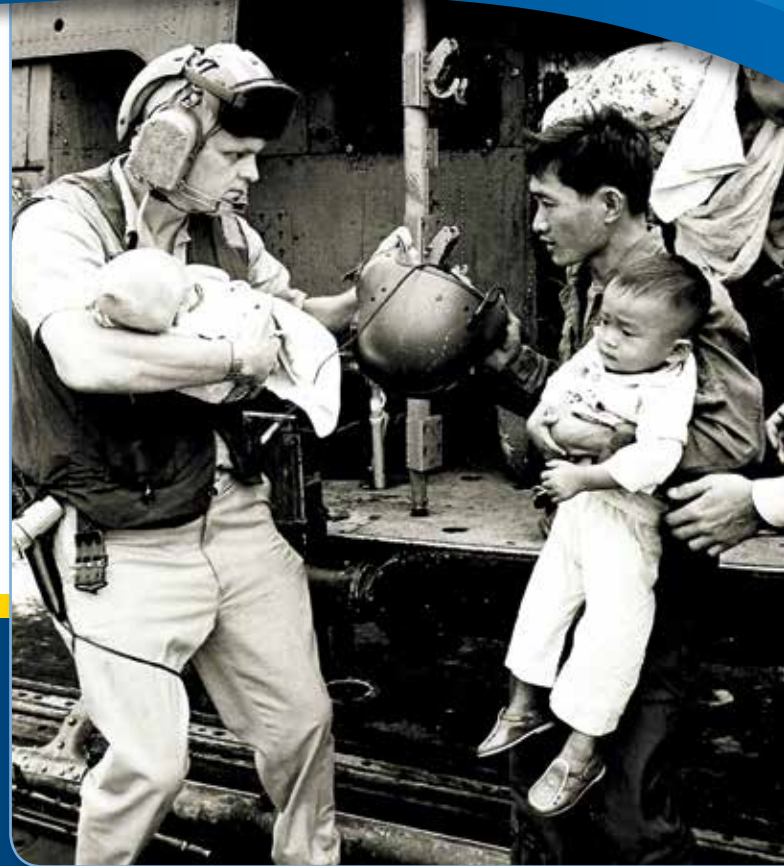

Presented by

The USS Midway was off the coast of Saigon in April 1975 as thousands of refugees sought refuge, safety and hope for a new life at the very end of the Vietnam War. That amazing story is available through a newly created program: *The Evacuation of Saigon*.

PROGRAM INCLUDES:

- A series of short videos explaining the U.S. involvement in Southeast Asia.
- Lesson Plans designed to enrich each student's understanding of events leading up to the final days of the Vietnam War.
- An interactive broadcast in which a Midway Educator shares the fateful events leading up to the role the USS Midway played in rescuing more than 3,000 Vietnamese refugees.
