The USS Midway Chocolate Chip Cookie Recipe, 1945

Did you know that when the USS Midway received their provisions, it included 3,000 pounds of sugar, 1,000 pounds of butter, 300 pounds of salt and 1,500 eggs? And that was only for one month! 13,500 meals were served onboard the USS Midway each day.

1 lb. butter, cream well

2 cups granulated sugar and 2 cups brown sugar: add both to butter and cream together

2 eggs, 2 tsp. vanilla: add both to the mixture

2 tsp. baking soda, 1.5 tsp. salt, 4 cups and 8 tbs. flour: combine these and then add to the mixture

1 bag chocolate chips (large): stir into batter

Spoon onto sheet and bake in preheated oven at 375 degrees for 8-10 minutes.

Answer: There are 20 cookies.

How many chocolate chip cookies can you find on this page?
