SAN DIEGO (Sept. 9, 2020) -- The USS Midway Museum today launches its ***FREE KIDS*** admission offer that will run through Dec. 15, 2020.

As part of Midway's 75th anniversary celebration, up to two children, ages 6-12, will receive ***FREE*** admission to the Midway Museum with one full-paid adult admission ticket. This offer is available on the museum's website as well as at its ticket booth on Navy Pier.

Children are now back to school, with many of them engaged in virtual learning from home. The Midway Museum's ***FREE KIDS*** offer provides a fun and exciting opportunity to complement home learning for kids.

The USS Midway Museum is dedicated to providing engaging and educational experiences that strengthen our future generations.

"Midway knows how to make learning fun," said Sara Hanscom, Midway's director of education. "I encourage kids and parents to visit this amazing ship museum. There's always something new to discover."

Together, families can experience firsthand the legacy of the Midway through its extensive collection of restored military aircraft that span more than 70 years of naval aviation history, as well as through the ship's award-winning audio tour. World famous Midway volunteer docents, many of them former military pilots, bring the ship's flight and hangar decks to life with mesmerizing stories of launching and landing naval aircraft as well as tales of their adventures on the high seas.
