- USS Midway Museum-

The USS Midway Museum opened to the public in June 2004 and today is one of San Diego's most popular visitor attractions with more than 1 million guests coming aboard each year. The naval aircraft carrier was commissioned in 1945 and served for 47 years supporting U.S. military and humanitarian efforts around the world. Nearly 250,000 sailors and officers served their country aboard the USS Midway before it was decommissioned (retired) in 1992.
